PRICES We endeavor to ensure that all our prices are current at the time the wedding list is published, we reserve the right to alter the prices for any reason. If there has been a change we will try to update this list. Any items on the list that are on special are only at that special while our stocks list.

STOCK We try to hold all items in stock that are listed on this wedding list. There may be occasions where we are out of stock of certain items (if a delivery is unexpectedly delayed or demand for the product is greater than anticipated. If this should occur we are happy to place items on back order and will give a call once they arrive in store, if this suits you, or other arrangements can be made.
